Re: *Standing Up for Public Schools Business Recognition* at Grape Creek ISD Board Meeting

September 7, 2020

Dear Mr. Sheridan,

Grape Creek Independent School District recognizes Spectrum VOiP as one of our biggest supporters and we wish to publicly recognize you and your business at our regular scheduled board meeting, beginning at 6:30 pm Monday, Sept. 13, in the Gene Marsh Board Room, 8207 US Hwy. 87 North.

The *Business Recognition Program* is sponsored by the Texas Association of School Boards and provides a way for school districts to acknowledge those in the community who have gone out of their way to provide services and donate time and energy to their districts. The process begins with submission of information surrounding each nominee and includes a statement of why the school district believes this business or organization should be nominated. We submitted Global Data Technologies and Spectrum VOiP for this honor and included the following justification for the acknowledgement:

Global Data Technologies and Spectrum VOiP have been instrumental in setting up a new communications system for our school district this year that has substantially improved operations for us. In addition, they donated the money that was used to purchase a new scoreboard.

(The space on the form was limited, or we could have written much more.)

Honorees across Texas are recognized as a business or organization on the Texas Association of School Boards website. The list is located at:

<https://www.tasb.org/about-tasb/supporting-texas-public-schools/businesses-supporting-schools/business-recognition-program/2020-21-businesses-recognized.aspx>

Please do us the honor of attending our board meeting at 6:30 on Monday, Sept. 13 to accept a token of our appreciation. We would love the opportunity to publicly recognize Global Data Technologies and Spectrum and the leadership that makes them the successful businesses that they are.

Thank you for Standing Up for Your Public School!

Sincerely,

A handwritten signature in blue ink that reads "Angie Smetana". The signature is written in a cursive, flowing style.

Dr. Angie Smetana, Superintendent
Grape Creek ISD
